YUVATHA IN CAMPUS

On 18th August 2023, KMCT Ayurveda Medical College hosted the "Yuvatha in Campus - Career Guidance Program," aimed at providing students with insights and guidance on various career paths available to them in the field of Ayurveda and beyond. The program was led by the esteemed Dr. Isha Inmail, a renowned expert in career counselling and professional development. The primary objective of the event was to equip students with the knowledge and tools necessary to make informed decisions about their future careers. It also sought to inspire and motivate them to pursue their goals with confidence and determination.

Swachhata Seva – 01/10/2023

On October 1, 2023, the students of KMCT Ayurveda Medical College participated in a Swachhata Seva cleaning drive as part of the nationwide initiative to promote cleanliness and hygiene. The event was organized with the goal of creating awareness about the importance of maintaining a clean environment and to contribute to the Swachh Bharat Abhiyan, a campaign launched by the Government of India to achieve universal sanitation and cleanliness.

The students, along with faculty members, gathered early in the morning to begin the cleaning drive. Equipped with gloves, brooms, and garbage bags, they focused on cleaning the college premises, surrounding areas, and nearby public spaces. The drive included the removal of litter, clearing of debris, and the proper disposal of waste materials. 46 students were participated.

Agadatantra Visit

Students from 2020 batch visited the Pappinisseri Visha Chikitsa Kendram and Parassinikkadavu Snake Park as part of their external activity. As part of the academic curriculum and to enhance the practical knowledge of students in the field of toxicology and Ayurveda, a study tour was organized for the students of the 2020 batch of KMCT Ayurveda Medical College. The tour included visits to two prominent centers: the Pappinisseri Visha Chikitsa Kendram, known for its traditional treatments for snake bites and other toxicological conditions, and the Parassinikkadavu Snake Park, a well-known reptile preservation center.

AYURVEDA PRACHARAN YATRA

On November 8, 2023, students from KMCT Ayurveda Medical College actively participated in the Ayurveda Pracharan Yatra, an event organized in association with the Department of Indian Systems of Medicine (ISM). This initiative aimed to promote the awareness and benefits of Ayurveda, a holistic system of medicine that has been practiced in India for thousands of years.

The event was well-received by the community, and the involvement of the students from KMCT Ayurveda Medical College was particularly appreciated. Their enthusiasm and dedication to spreading the knowledge of Ayurveda were evident throughout the day, making the Yatra a successful endeavor in promoting this ancient science.

57 students were participated.

FORGING OF HERBAL GARDEN ON NATIONAL AYURVEDA DAY

On 9th November 2023, the students of KMCT Ayurveda Medical College undertook a significant environmental and educational initiative by creating a Herbal Garden within the college campus. This project was aimed at cultivating a diverse range of medicinal plants, promoting the importance of Ayurveda, and providing a living laboratory for students to enhance their practical knowledge of herbal medicine. The event not only emphasized the relevance of Ayurveda in modern healthcare but also fostered a sense of environmental stewardship among the students. 19 students were participated.

SEASONAL NUTRITIONAL PROGRAM

On the 23rd of November, 2023, the NSS (National Service Scheme) unit of KMCT Ayurveda Medical College organized a Seasonal Nutritional Program. The event aimed to educate students, faculty, and the local community about the importance of seasonal nutrition in maintaining health and preventing diseases. The program highlighted how eating seasonally and incorporating Ayurvedic principles into one's diet can enhance overall well-being. The program was planned and organized by the NSS volunteers in collaboration with the faculty of KMCT Ayurveda Medical College. The event included expert talks, interactive sessions, and a demonstration of seasonal recipes. It was well-publicized within the college and the surrounding community to encourage participation.

Field visit to WATER TREATMENT PLANT KWA

On 15th December 2023, students of KMCT Ayurveda Medical College visited the Kerala Water Authority's (KWA) Water Treatment Plant. The visit was organized to provide the students with practical knowledge about the water treatment process, the various stages involved, and the importance of ensuring the supply of clean and safe drinking water to the public. The students arrived at the plant at 10:00 AM and were greeted by the plant manager and the technical staff. An introductory session was conducted, where the plant manager briefed the students about the history of the plant, its capacity, and the importance of water treatment in maintaining public health. The manager also highlighted the key objectives of the visit. Third year students were attended.

Ayurvedic lifestyle awareness program 18/01/2024

On the 18th of January, 2024, the students of KMCT Ayurveda Medical College organized an Ayurvedic Lifestyle Awareness Program aimed at educating the public about the benefits of incorporating Ayurvedic principles into daily life. The event focused on promoting natural health practices, preventive care, and overall well-being through Ayurveda, the ancient Indian system of medicine. The program commenced with an inaugural session where the Principal of KMCT Ayurveda Medical College delivered a welcome address. The Principal emphasized the relevance of Ayurveda in today's fast-paced world and the importance of holistic health.

Drug Addiction awareness program

On the 16th of February, 2024, the NSS (National Service Scheme) unit of KMCT Ayurveda College organized a Drug Addiction Awareness Program. This initiative aimed to educate students, faculty, and the local community about the dangers of drug addiction, promote healthy lifestyle choices, and encourage preventive measures to combat this growing social issue. The program was meticulously planned by the NSS volunteers with guidance from faculty members. The agenda included expert talks, interactive sessions, and a Q&A session. The event was widely promoted within the college and the surrounding

Swarnaprasana administration camp

Department of KAUMARABHITTIYA On 27/02/2024 Swarnaprasana administration camp was organized at KMCT AYURVEDA MEDICAL COLLEGE with the objective of promoting the health and immunity of children through the traditional Ayurvedic practice of Swarnaprasana. Swarnaprasana, a unique Ayurvedic immunization process, involves the administration of purified gold along with other herbs and honey to children. This camp aimed to enhance the physical and mental development of children and boost their immunity against common diseases. Third YEAR students lead the camp.

Greeshma ritucharya for Summer Wellness

An initiative was undertaken to distribute Ayurvedic juices aimed at promoting summer wellness and enhancing knowledge about Ayurveda-based dietary practices on 04/03/2024. The objective was to provide campus with refreshing and health-enhancing beverages while educating them about the principles of Ayurveda and its dietary recommendations for the summer season. Prior to the camp, research was conducted to identify Ayurvedic ingredients and recipes suitable for preparing summer juices. Volunteers worked together to prepare the Ayurvedic juices using the selected ingredients and following the prescribed recipes. Emphasis was placed on hygiene and food safety practices to ensure the quality of the juices.

Setting Up a Student Space in the Garden

As part of the National Service Scheme (NSS) camp, a dedicated initiative was undertaken to create a student space within the garden area. The objective was to provide students with a conducive environment for learning, relaxation, and social interaction amidst nature. This report outlines the planning, execution, and outcomes of this endeavour. The inauguration ceremony commenced with an invocation, setting a tone of reverence and respect for nature followed by NSS Song. Dignitaries, including Dr Shubhaaree G H, Principal K M C T Ayurveda College, Dr Dinesh, Professor and HOD, Dept. of Dravyaguna, were invited to inaugurate the tree planting initiative by planting the first saplings. Following the inauguration, speeches were delivered by distinguished guests, emphasizing the importance of tree planting in combating climate change, conserving biodiversity, and enhancing the quality of life. Speakers highlighted the role of NSS volunteers as agents of change and urged them to actively participate in the tree planting drive. 32 students were participated.

Palliative Care Workshop – Home care

A practical demonstration was conducted to illustrate key aspects of patient care, such as positioning, hygiene, and comfort measures on 05/03/2024. Participants had the opportunity to observe and practice basic caregiving techniques under supervision. Case studies were presented to stimulate critical thinking and problem-solving skills among participants. Group discussions allowed for the sharing of experiences, challenges, and best practices in providing home-based palliative care. 36 students were participated

Setting Up of Vegetable Garden

As a part of NSS Activity, volunteers organizing a vegetable garden during an NSS camp in GLPS, Poovanthodu, can be a rewarding and educational experience for everyone involved, fostering a sense of responsibility towards the environment and promoting sustainable food practices. Before the camp begins, coordinate with the school authorities to identify an appropriate area for the vegetable garden.

Anti-ragging awareness program

On the 27th of August, 2022, the students of KMCT Ayurveda Medical College organized an Anti-Ragging Awareness Program to address the issue of ragging and promote a safe, inclusive, and supportive campus environment. The program aimed to educate students about the legal and moral consequences of ragging, encourage mutual respect, and foster a culture of camaraderie among the student community. The event commenced with an inaugural session where the Principal of KMCT Ayurveda Medical College delivered the opening remarks. The Principal emphasized the college's zero-tolerance policy towards ragging and the importance of creating a safe and welcoming environment for all students.

SHRAMADHAAN FOR SWACHHATHA

On the 1st of October, 2022, the NSS (National Service Scheme) unit of KMCT Ayurveda College conducted a Shramadaan (voluntary labor) for Swachhata (cleanliness) at Manassery. The event was organized as part of the Swachh Bharat Abhiyan, a nationwide campaign to promote cleanliness and sanitation. The aim of the program was to clean public spaces, raise awareness about the importance of maintaining a clean environment, and inspire the local community to participate in keeping their surroundings clean. 83 students were participated.

MEGA MEDICAL CAMP

On 13/11/2022, KMCT Ayurveda Medical College, in collaboration with the NSS Unit of GHSS, Nayarakanthi, organized a Mega Medical Camp. The camp aimed to provide free medical consultations, Ayurvedic treatments, and health education to the residents of Nayarakanthi and surrounding areas. The initiative was part of a community outreach effort to ensure that quality healthcare services were accessible to all, particularly those in rural and underserved communities.

Awareness on ROLE OF AYURVEDA IN PUBLIC health

On 23rd February 2023, KMCT Ayurveda Medical College hosted a seminar titled "Role of Ayurveda in Public Health Programs," presented by Dr. Praveen, a respected Medical Officer with extensive experience in public health and Ayurveda. The seminar was organized to provide students with insights into how Ayurveda can be effectively utilized in public health initiatives to promote holistic well-being. Dr. Praveen began his presentation by discussing the foundational principles of Ayurveda and its emphasis on maintaining balance within the body, mind, and spirit. He explained how these principles align with modern concepts of preventive healthcare and can be applied in public health programs to address various health challenges. 60 students were participated.

Vaccination awareness program

On 16th March 2023, a Vaccination Awareness Program was conducted at Mambulla Anganwadi, aiming to educate the local community about the importance of vaccinations, particularly for children. The program was part of a broader initiative to promote public health and ensure that parents are informed about the benefits and safety of vaccines. The event began with an inaugural session, where the Anganwadi supervisor welcomed the participants and introduced the program's objectives. The importance of vaccinations in preventing serious illnesses and protecting public health was emphasized.

Oral Health and Hygiene Awareness Program

On 20th March 2023, the students of KMCT Ayurveda Medical College organized an Oral Health and Hygiene Awareness Program. The initiative was part of the college's efforts to promote public health and educate the community on the importance of maintaining good oral hygiene. The program aimed to spread awareness about oral health, prevention of dental diseases, and the role of Ayurveda in maintaining oral hygiene. The program commenced with an inaugural session, where the faculty advisor and student representatives welcomed the participants. The importance of oral health as a key aspect of overall well-being was emphasized. The session set the tone for the day's activities by underlining the need for regular dental care and the prevention of oral diseases.

PERSONALITY AND STRESS MANAGEMENT PROGRAM

As part of the Student Support and Guidance Program (SSGP), a session on "Personality and Stress Management" was conducted on 17th May 2023 at KMCT Ayurveda Medical College. The session was facilitated by Mr. Praveen Raj P, a Consultant Clinical Psychologist from KMCT Medical College, and was attended by students from the 2021 and 2022 batches. The primary objective of the session was to help students develop a better understanding of their personalities and equip them with effective strategies for managing stress. The session aimed to promote mental well-being among students and provide them with tools to handle academic and personal challenges more effectively. 84 students were attended.

ANTI DRUG HUMAN CHAIN AND PLEDGE AGAINST DRUGS

On November 1, 2021, the NSS (National Service Scheme) Volunteers of KMCT Ayurveda College organized an impactful event to raise awareness about the dangers of drug abuse. As part of this initiative, the volunteers formed a human chain, symbolizing unity and collective action against the misuse of drugs. Along with this visual demonstration, the participants took a pledge against drugs, committing themselves to staying away from substance abuse and promoting a drug-free environment within their community.

The event aimed to highlight the importance of resisting peer pressure, making informed choices, and spreading awareness about the detrimental effects of drugs on individuals and society. Through their actions, the NSS volunteers at KMCT Ayurveda College hoped to inspire others to join the fight against drug abuse and contribute to building a healthier, drug-free society.

WOMEN EMPOWERMENT 07/03/2019

Empowering women requires a combined effort from individuals, communities, organizations, and governments. It involves changing attitudes and structures that have historically marginalized women and working towards a more equitable and just society. kmct Ayurveda medical college organizes programmes to aware ladies about the issues they are facing and how to handle such situations. Rally and skit were conducted at Kozhikode beach. 16 students participated.

MAZDAKALA CHARYA - AYUR EXPO 20/07/2019

In Ayurvedic tradition, the rainy season, known as "Varsha Ritu" in Sanskrit, is considered a time of transformation and adjustment for the body and mind. It typically spans from June to September in India. During this period, the atmosphere becomes humid and cool, which can affect the body's internal balance. Ayurveda recommends specific guidelines for maintaining health and well-being during this season.

Ayurveda expo and free medical camp conducted in Bahuvary AUP school by NNS unit of KMCT Ayurveda medical college in association with Bahuvaryputhachayath, an department, AMAI, National ayurveda mission, Kerala ayurveda co operative society Ayurveda expo inaugurated by Panchankadalandimtree medical camp inaugurated by Panchankadalandimtree. Medical plus exhibition, free eye check up, free medicinal partridge kit supply, mosquito repellent oil supply were done. Thirty six students participated.

GUEST TALK ON STRESS IN WORKING WOMEN

A good interactive session about mental health and stress in working women was led by Dr. Anwar, P.X. on March 8th 2021. Managing stress effectively is crucial, and strategies such as seeking support from mentors or counselors, practicing self-care, setting boundaries, and finding ways to relax can be helpful. 38 students participated.
