Infection control training

ACTIVITY REPORT: "Infection control training"

Venue: Auditorium

Date: 6/08/2021

Speaker: Dr Anupama A

Summary: The "Infection control training" class conducted in the college was led by Dr. Anupama. The training session focused on educating participants about the importance of infection control measures in various settings, particularly within educational institutions like colleges. Dr. Anupama likely covered topics such as proper hand hygiene, disinfection protocols, personal protective equipment usage, and strategies to prevent the spread of infectious diseases. The training aimed to enhance the knowledge and skills of the participants in effectively managing and controlling infections to create a safer and healthier environment within the college community.

Covid 19 protocols in Ayurveda practice

ACTIVITY REPORT: "Covid 19 protocols in Ayurveda practice"

Venue: Auditorium *Melissa*

Date: 31/08/2021

Speaker: Dr Jasir Ahammed N

Summary: The session taken by Dr Jasir Ahammed likely focused on the specific protocols and guidelines that Ayurvedic practitioners should follow in the context of the Covid-19 pandemic. These protocols may include recommendations for patient care, safety measures, hygiene practices, and treatment approaches aligned with Ayurvedic principles. The class aimed to educate healthcare professionals, particularly those practicing Ayurveda, on how to effectively manage and adapt their practices in response to the challenges posed by the Covid-19 situation.

New trends in Ayurvedic geriatric care

ACTIVITY REPORT: "New trends in Ayurvedic geriatric care"

Venue: Auditorium - 2.4.21 PM-09

Date: 23/09/2021

Speaker: Dr. Adarsh K

Summary: Dr. Adarsh took a class on "New trends in Ayurvedic geriatric care" as part of a quality improvement program. The class likely focused on emerging trends and advancements in Ayurvedic care for the elderly population. Topics may have included holistic approaches to geriatric health, personalized treatment plans, lifestyle modifications, herbal remedies, and integrative practices to enhance the well-being of elderly individuals. Participants may have gained insights into innovative strategies for promoting healthy aging and improving the quality of life for geriatric patients through Ayurvedic principles.

Questionnaire validation

ACTIVITY REPORT: "Questionnaire validation"

Venue: Auditorium - *Serpent's hall*

Date: 25/01/2022

Speaker: Dr Anupama Krishnan

Summary: Dr. Anupama Krishnan led a class on questionnaire validation programs. The session likely covered the process of validating questionnaires, ensuring their reliability and accuracy in research studies. Participants may have learned about the importance of validation methods, such as pilot testing, factor analysis, and reliability testing, to ensure the effectiveness of the questionnaire in gathering relevant data. The class likely provided insights into best practices for validating questionnaires and the significance of this process in research methodology.

ACTIVITY REPORT: Stress management in online ira

VENUE: lecture hall 3

DATE: 15/07/2020

SPEAKER - Dr Pranav Raj

SUMMARY: An informative class on "Stress management in online ira" was taken by Dr Pranav Raj for teaching staff. The "Stress Management in Online IRA Classes" session successfully achieved its objectives by equipping participants with valuable tools to manage stress in an online learning environment. The strategies discussed and practiced during the class provided participants with a foundation for maintaining mental well-being while pursuing their educational goals online. The positive feedback from participants underscores the importance of addressing mental health in the context of online education.

ACTIVITY REPORT- Rasa preparation - Safety measures

VENUE: Lecture hall 3

DATE - 16/09/2020

SPEAKER - Dr. Sugeena P

SUMMARY: An informative class on "Rasa preparation - Safety measures" was taken Dr. Sugeena P for teaching staff. The class on "Rasa Preparation - Safety Measures" led by Dr. Sugeena P successfully met its objectives, equipping participants with essential knowledge and skills to ensure the safe preparation of Rasa formulations. The session underscored the importance of rigorous safety protocols in Ayurvedic practices and provided valuable guidelines for maintaining the highest standards of quality in Rasa Shastra. The positive participant feedback indicates a strong interest in further training on advanced aspects of Rasa preparation.

PROFESSIONAL DEVELOPMENT / ADMINISTRATIVE TRAINING

ACTIVITY REPORT: IMPORTANCE OF SWARNAPRASHA

DATE: 13/11/2020

SUMMARY: An informative class on "IMPORTANCE OF SWARNAPRASHA," was taken Dr Anjana R for teaching staff. The program gave an overview on importance of SWARNAPRASHA. The class on the "Importance of Swarnaprasha" successfully achieved its objectives, providing participants with a comprehensive understanding of this ancient Ayurvedic practice. The session emphasized the relevance of Swarnaprasha in modern child healthcare and equipped attendees with the knowledge to make informed decisions regarding its use. The positive feedback from participants suggests a strong interest in further exploring traditional Ayurvedic practices for child health.

ACTIVITY REPORT: Quantitative research

VENUE: Lecture hall 3 - *Webinar*

DATE - 9/12/2020

SPEAKER - **Mr. Durgesh**

SUMMARY: An informative class on "Quantitative research" was taken by Dr. Durgesh for teaching staff. The class on "Quantitative Research" conducted by Dr. Durgesh successfully achieved its objectives, providing participants with a solid foundation in quantitative research methods. The session was particularly effective in demystifying the complexities of data collection and analysis, making these concepts accessible to both novice and experienced researchers. The positive feedback from participants highlights the effectiveness of Dr. Durgesh's teaching methods and the practical relevance of the content covered.

ACTIVITY REPORT: INTRODUCTION TO MOODLE PLAT FORM

DATE: 11/1/2021

SPEAKER - Mr Sajal

SUMMARY: The "Introduction to Moodle Platform" class was successful in achieving its goals, providing participants with a solid foundation in using Moodle for educational purposes. The session equipped attendees with the necessary skills to navigate the platform, create and manage courses, and utilize Moodle's interactive tools to enhance student learning. The positive response from participants suggests a strong interest in further training on advanced Moodle features.

ACTIVITY REPORT: INTELLECTUAL PROPERTY RIGHTS

VENUE: Lecture hall 3

DATE: 19/3/2021

SPEAKER: -- Dr Manoj Kaloor

SUMMARY: An informative class on "INTELLECTUAL PROPERTY RIGHTS" was taken Dr Manoj Kaloor for teaching staff. The program gave an overview on Intellectual property rights. The Intellectual Property Rights Workshop successfully achieved its goals, offering participants valuable knowledge and practical insights into the complex world of IPR. The workshop highlighted the critical role of intellectual property in today's economy and provided attendees with the tools to effectively protect and manage their IP assets. The discussions and exchanges of ideas during the workshop underscored the importance of continuous learning and adaptation in the dynamic field of IPR.

ACTIVITY REPORT- PALLIATIVE CARE

VENUE: Lecture hall 3 - *Building*

DATE - 15/11/2019

SUMMARY: An informative class on "PALLIATIVE CARE" was taken by Mr Sharafudheen for teaching staff. The program gave an overview on Palliative care and its relevance. The Palliative Care Workshop successfully met its objectives, providing valuable insights and skills to the participants. The knowledge gained will contribute to improving the quality of palliative care services in their respective institutions. Future workshops could benefit from more case studies and extended sessions on specific palliative care challenges.

ACTIVITY REPORT: SHIRODHARA

VENUE: Lecture hall 3

DATE: 19/12/2019

SUMMARY: An informative class on "SHIRODHARA" was taken by Dr. Adarsh K for teaching staff. The program gave an overview on Shirodhara and its importance in clinical practice. The Shirodhara Workshop was successful in meeting its objectives, equipping participants with the knowledge and skills necessary to effectively perform Shirodhara therapy. The hands-on experience, combined with in-depth theoretical discussions, enhanced the overall learning experience. Participants are now better prepared to incorporate Shirodhara into their practice, contributing to the broader application of Ayurvedic therapies in modern wellness.

ACTIVITY REPORT: WEBINAR ON MULTIPLE DRUG RESISTANCE

DATE - 23/9/2020

SPEAKER - Dr N K Thulasiedharan

SUMMARY: An informative class on 'MULTIPLE DRUG RESISTANCE & quit', was taken by Dr N K

Thulasiedharan for teaching staff. The program gave an overview on Multiple drug resistance and

its importance. The Multidrug Resistance Workshop was highly successful in meeting its objectives. It provided participants with a deeper understanding of the complexities of MDR and equipped them with the tools and knowledge to address this pressing issue in their respective fields. The workshop fostered valuable discussions and collaborations that are essential for advancing the fight against multidrug resistance.
