AYURVEDA MEDICAL COLLEGE

Approved by NCISM and Affiliated to Kerala University of Health Sciences.

PSO 1 Understanding :

Graduates in Ayurveda will be able to explain and evaluate Trisutra, which consists of the three Ayurvedic realms of Hetu, Linga, and Chikitsa.

PSO 2 Analytical skill :

Ayurvedic graduates will be capable of organizing, carrying out, managing, preserving, and restoring positive health.

PSO 3 Executive skill :

Communication and Interpersonal Skills

Ayurvedic graduates will be able to communicate effectively with patients, families, coworkers, and the community.

PSO 4 Accountability - Clinical effectiveness and implementation:

Ayurvedic graduates will be knowledgeable about modern advancements in Ayurvedic medicine. Aspirants to Ayurveda must work in hospitals, in health care administration, and in health monitoring. Graduates in Ayurveda will possess the necessary knowledge of how national health projects and procedures affect the world economy and society.
