FEEDBACK AND ACTION TAKEN ANALYSIS REPORT

The feedback analysis committee designed and collected feedback from different sectional stake holder of the institution with aim to monitor and evaluate the performance and to take remedial measures of as and when required for the betterment of quality of the service provided by the institution and to maintain the standard of the BAMS education provided. The feedback collected from students, teachers, professionals, alumni and employers about the aspects of the curriculum and its applicability were taken as reports of various stakeholders.

FEEDBACK ANALYSIS

The data collected by the committee was consolidated, sorted and analyzed thoroughly following which the analysis report was drafted. The area of concern pointed various stakeholders was attended positively with care. Stepwise planned actions were taken for sorting and mending the concerns addressed.

	meeting.	
4.	<p>Analysis of Regular exam Results There is a need to enhance the quality of the results. The principal has instructed all faculty members who couldn't achieve a 100% pass rate in their respective subjects to submit a letter outlining the measures they intend to implement for improving results in the next academic year.</p>	The teachers have written explanation letters regarding the absence of a 100% pass rate and have outlined measures to enhance results. Failed students were supported and motivated through mentoring and revision classes.
5.	<p>Supplementary batch preparation Regarding the notification for the second year supplementary examinations, the Principal has tasked for obtaining the details of all students scheduled to appear for these exams.</p>	Teachers are advised to ensure that students are adequately prepared to pass the exams and to take time for revision classes accordingly.
6.	<p>Extracurricular Activities for students: Since we have an operational indoor stadium within the KMCT Campus, all class coordinators are directed to notify students and compile a list of those interested in participating in sports and arts. A schedule will be arranged to utilize these facilities, along with access to the gymnasium within the campus premises.</p>	Class coordinators are directed to disseminate the information within their respective classes.
7.	<p>Review of academic plan and preparation Principal instructed to submit full preparation in an organized manner.</p>	Class coordinators are briefed on the preparation of the academic plan and forwarded to HODs.
8.	<p>Attendance evaluation & scheduling Attendance shall be evaluated every month and informed to parents about the shortages if any, so before university exam. All HODs shall display the monthly attendance of the students in the notice board.</p>	It is ensured that letters are sent to the respective departments HOD's.
9.	<p>Strategic planning for the next five academic years KMCT Ayurveda College targets to achieve NAAC Accreditation with good academics and infrastructure. Thus the institution started to sustain research and development programs. Committee members made systematic planning to execute additional programs for improving student quality and academic excellence. Recruiting vigilant staffs to exercise proper output</p>	A tentative plan has been formulated and presented to the Principal.
